I have always been a keen observer of structures and designs. The mapping of my interest in architecture possibly lies in the way this subject unraveled itself slowly to me. I believe that spaces are an integral part of molding human beings, from our homes to schools we grow up conglomerated with them. This understanding makes me tilt towards design and how it could be further experimented with.

Education

- 2018-2023: Aayojan School of Architecture, Jaipur
Pursuing B.Arch
- 2016-2018: BJM Carmel Academy, Chandrapur
Completed 12th grade
- 2014-2016: Shana international school, Bikaner
Completed 10th grade
- 2006-2014: Kendriya vidyalaya, Sarni
Till 9th grade

Software skills

- Sketchup
- Rhino+Grasshopper
- Revit+NavisWorks
- ArchiCad
- Maya
- AutoCad
- Photoshop
- InDesign
- Illustrator
- Adobe Premier Pro
- Lumion
- V-Ray
- Twinmotion
- Enscape
- Keyshot
- Microsoft Office

Competitions

- 2015: State level competition by DST
- 2020: Annual NASA Design competition
- 2020: 120 hours

Workshops

- Soft Brick Modelling
- Soap Carving
- Clay Modelling
- Trezi
- Meenakari
- NASA 2020
- Structures- Truss model using steel bars
- Surveying and leveling in mount abu
